## **Study of magnetic interference on an lvdt: fem**

The LVDT model has been validated in standard working conditions and in presence of an external magnetic field by means FEM Modeling and Experimental Measurements.

## **Modeling and experimental measurements of**

The paper presents preliminary model of the fault arc parameters with application of the experimental measurements results. The arc model is now only the part of work

## **" modelling and experimental measurements of**

Title. Modelling and experimental measurements of idealised and light-moderate RCF cracks in rails using an ACFM sensor

## **Numerical modeling and experimental measurements**

This study compares experimental measurements and numerical simulations of liquid droplets over heated (to a near surface temperature of 423 K) and unheate
